

Incentives to Faculty for Research

To encourage University faculty to conduct research, apply for grants for funding and publish in high impact journals, books and books chapters various incentives are provided which include but are not limited to different monetary and non-monetary incentives like commendation on the university's website, certificate of appreciation, commendation and monetary incentive, commendation via model, announcement in the Newsletter/website etc. The University provides seed money to faculty to initiate research/ gather preliminary data which can be utilized for applying and securing grants from government and non-government funding agencies. The decision to provide seed money is based on the project proposal submitted by the faculty. In order to encourage faculty to participate in international/national conferences and present their work, monetary help is provided to meet with partial expenses. The faculty are also encouraged to apply for fellowships, conduct seminars/workshops etc. The office of Director Research periodically sends out information about the various schemes, awards etc. to encourage the faculty. To bring research from bench to practical practice, faculty are helped in filing patents and conduct consultancy services. The faculty member is allowed to keep a portion of the consultancy fee as per the rules of the University.
