Instructions to the Internal Faculty: The art portfolio is an expression of a student’s creativity, design/ability, technical expertise, illustration and presentation skills. It should exhibit the student’s inclination towards the particular segment of the industry by identifying the target customers, design requirements and pricing. It should ideally comprise of 30-35 sheets keeping the following points in mind.

Uniform Format: It is important to keep all the sheets of the same size to maintain visual continuity. Sheets should be grouped separately and systematically either horizontally or vertically. This ensures uniformity of presentation. The presentation of the portfolio depends on the contents and also on layouts. The end result should look very neat and professional.

The Portfolio must include:

Design Development

• Curriculum Vita
• Page of Contents
• Theme of the project
• Mood board, Story Board, Ideation Board, Colour Palette and Fabric Chart. Research
• Finalization of Theme
• Sourcing
• Finalization of designs
• Measurements and specification sheets
• Thumbnails. (Of working drawings)
• There should be inclusion of designs for Kids. (Collection of 5 designs with any one theme)

• Flat working drawings, specification sheets showing technical strength are vitally important. Line planning, Fabric Indications, Fabric Consumption detailed measurement charts etc are all essential. These are to be used in conjunction with croquies.
• The Collection is to be based on innovative fabric combinations, surface texture and ornamentation. It is very important that the designs and embroidery motifs be original.
